

GLENN COUNTY

RESOURCE
CONSERVATION DISTRICT

**Stony Creek
Bioengineering & Erosion
Management Workshop**

EVENT ANNOUNCEMENT

The Glenn County Resource Conservation District and River Partners invites all Stony Creek landowners and partners to participate in the **“Stony Creek Bioengineering & Erosion Management Workshop”**. The workshop is a continuation of the Demonstration Site they have been working on with landowners since Fall 2005. This workshop is provided as a way for landowners on Lower Stony Creek to gain information on how to reduce erosion and stabilize stream banks on their land. The day will provide information on *bioengineering* using native plants and *bank stabilization* for those common eroding banks.

Please note this workshop is designed for the private landowners of Stony Creek and partners; therefore, space may be limited to 50 participants.

Date: Friday, May 9, 2008

Time: 10:00 a.m. to 12:00 p.m.

Location: Smith/Baker Ranch
19985 Roser Rd.
Orland, CA 95963

Directions to site: From I-5 N
Exit Road 7 – turn west
Turn Right on Road FF
Turn Left on Road 3
Road 3 turns into Roser Road and leads up to the Ranch
